

A woman with dark hair, wearing a white long-sleeved shirt and a black belt, is seated in the passenger seat of a futuristic, metallic car. She is holding a drink with a red liquid and a white top, with a \$100 bill draped over it. The car's interior is highly detailed with metallic surfaces and glowing blue and red lights. A robot with a metallic face and a white shirt is driving the car. The background shows a cityscape at night with blurred lights.
